

2nd Nordic Conference of HIV and Hepatitis Drug Resistance and Treatment Strategies

18th September, 2008, Uppsala Main University Building, Hall X (Registration fee: 1500 SEK)

www.akademiska.se/NordicHIVHepConf2008

(Last day to register 12th September)

9:00 - 10:00 Registration and coffee

10:00 - 10:05 Welcome: Dr Johan Lennerstrand, Uppsala University

Session: HIV Drug Resistance and Treatment Strategies

Chairman: Dr Johan Lennerstrand, Uppsala University

10:05 - 10:45 Dr Brendan Larder, RDI, Cambridge, UK

“Progress and problems in HIV-1 drug resistance and predicting treatment response”

10:45 - 11:05 Prof Jan Albert, The Swedish Institute for Infectious Disease Control, Stockholm

“Massive parallel pyrosequencing in HIV drug resistance testing”

11:05 - 11:30 Coffee break

11:30 - 12:00 Dr Graeme Moyle, Chelsea & Westminster Hospital, London, UK

“HIV and chronic prevalent diseases of aging”

12:00 - 12:30 Dr Hugo Gomes da Silva, Merck Research Laboratories, Europe

“Clinical update on the HIV integrase inhibitor raltegravir, and understanding resistance to raltegravir”

12:30 - 13:00 Dr Neil Parkin, WHO, Geneva, Switzerland

“CCR5 antagonists in HIV-1 treatment and co-receptor tropism assay”

13:00 - 14:00 Lunch (Café Alma, Uppsala Main University Building)

Session: Hepatitis B and C Drug Resistance and Treatment Strategies

Chairman: Prof Ola Weiland, Karolinska Institutet, Stockholm

14:00 - 14:25 Prof Ola Weiland, Karolinska Institutet Stockholm

“Present optimised treatment of Hepatitis B and C in Sweden”

14:25 - 15:10 Prof Raymond F. Schinazi, Emory University and VA Medical Center, Atlanta, USA

“Towards Curative Therapies for HIV, HBV and HCV”

15:10 - 15:35 Coffee break

15:35 - 16:05 Dr George Hill, Roche, Palo Alto, USA

“Clinical update on nucleoside analogs in development for the treatment of HCV”

16:05 - 16:30 Dr Maria Beumont, Tibotec, Mechelen, Belgium

“Clinical data on Telaprevir, a PI in development for the treatment of HCV infected patients”

16:30 - 16:50 Dr Oliver Lenz, Tibotec, Mechelen, Belgium

“Resistance to HCV Protease Inhibitors”

16:50 - 17:00 Concluding remarks: Dr Johan Lennerstrand, Uppsala University

17:00 - 18:30 Scientific guided tour at Gustavianum (Anatomical theatre)

18:45 - Dinner at Wermlands Nation (Event not included in the regular programme – cost 600 SEK)
